Car Parking

Parking is limited for individual cars to a 'first come, first served' basis and is charged at £6.00 per space per night. There are a number of spaces that can be reserved in advance to ensure a guaranteed parking place and these are charged at £12.50 per day. Two guaranteed spaces are included in this package. Please liaise directly with reception if a guaranteed space is required.

Disabled spaces are located on the immediate left and right as you enter the car park.

All spaces are available from 2.00pm on the day of arrival until 12noon the following day.

Unfortunately, the hotel does not have facilities for coaches. Guests however can be dropped off or picked up from the front of the hotel on Foregate Street. A council coach park is located approximately 10 minutes' walk away at an approximate charge of £5.00 per night.

As there is only a small car park on site, we should be most grateful if you would encourage your guests to arrange alternative transport.

SOMETHING OLD, SOMETHING NEW...

This saying dates back to Victorian times and the full version is 'something old, something new, something borrowed, something blue and a silver sixpence in her shoe'

Something old

Represents the link with the bride's family and the past. A popular choice for brides is to wear a piece of family jewellery.

Something new

Represents good fortune and success in the bride's new life. The wedding dress is often chosen as the new item.

Something borrowed

Is to remind the bride that friends and family will be there for her when help is needed. The borrowed object might be something such as a lace handkerchief or an item of jewellery.

Something blue

Symbolises faithfulness and loyalty and dates back to biblical times when blue represented purity. Brides often choose a blue garter to wear.

Silver sixpence in her shoe

Is to wish the bride wealth both financial and happiness.

*Your wedding will be exclusive; we only host one wedding per day"
